Drugs Prices Review Committee

669. SHRI H. HANUMANTHAPPA: Will the PRIME MINISTER be pleased to refer to the answer to Unstarred Question 1665 given in the Rajya Sabha on the 12th September, 1991 and state;

(a) whether it is a fact that DPRC has worked out and also taken suo moto in crease in prices of formulations of bulk drugs, prices of which were revised in August/September, 1991;

(b) if so, the names of formulations for which prices have been recommen ded;

(c) what was the earlier price of each and what is the revised price and what is the percentage of increase;

(d) whether it is a fact that committee has still to reduce suo moto the prices of formulations based on bulk drag prices which were reduced in 1990 and in 1991;

(e) what are the names of drugs, when the price of each, was reduced and to what exteatt and what steps have been taken to fix responsibility; and

(f) what are the reasons and what is the system of picking drugs?

THE MINISTER OF STATE DST THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI CHINTA MOHAN): (a) to (c) Sir, prices of certain ceiling packs of formulations based on such bulk drugs whose prices have been revised upwards due to Exchange Rate adjustment, have been notified on suo-moto basis to allow for the increase in input costs. The number of such pack's is around 85. De tails of prices have been notified in the Extra-ordinary Officials Gazette, copies of which are available in the Parliament Library.

(d) to (f) There are eleven Scheduled bulk drugs whose prices have been reduced during this year. Before Government could notify the prices of ceiling packs of connected formulations on reduced prices of bulk drugs, there was change in Exchange rate of rupee against major foreign currencies. As a result, prices of mine out of these eleven bulk-drugs have been revised upwards. In four cases, the revised price is even more than the pre-revised price. A Statement indicating the names of eleven bulk drugs, their pre-reduced prices, reduced prices and present prices with date, is annexed. (See below). The exercise to notify the prices of ceiling packs of formulations where the bulk drug price is still les than the pre-reduced price is on hand.
